PREAMBLE

This Agreement represents a new beginning of cooperation between signatory employers and the Union in a mutual effort to retain and regain the major portions of the work within the geographic area for unionized construction. The successes of the Agreement will be judged on the ability of the signatory contractors to be successful in obtaining contracts where union employees will be employed.

CARPENTERS MASTER AGREEMENT 46 Northern California Counties 2014-2019

SECTION 1

THIS MASTER AGREEMENT, made and entered into this 3rd day of June, 2014, by and between the CONSTRUCTION EMPLOYERS' ASSOCIATION OF CALIFORNIA (CEAC), MILLWRIGHT EMPLOYERS ASSOCIATION (MEA), CONCRETE CONTRACTORS ASSOCIATION (CCA), and NC CONTRACTORS ASSOCIATION (NCCA) and their respective members, herein referred to collectively as the Employer, and the CARPENTERS 46 NORTHERN CALIFORNIA COUNTIES CONFERENCE BOARD, on behalf of the Northern California Carpenters Regional Council (NCCRC) and affiliated Local Unions having jurisdiction in the 46 Northern California Counties, hereinafter referred to as the Union. This Agreement amends, modifies, supplements, changes, extends and renews the Agreements dated June 16, 1971, July 18, 1974, June 16, 1977, June 16, 1980, September 1, 1982, January 1, 1986, April 1, 1988, June 16, 1992, June 16, 1996, May 25, 1999, June 3, 2003, June 6, 2007, May 18, 2011, and is effective July 1, 2014.

SECTION 2 TERM OF AGREEMENT

This Agreement shall remain in full force and effect from the 1st day of July, 2014 through the 30th day of June, 2019, and shall continue thereafter unless either party, not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June, 2019, or not more than ninety (90) days nor less than sixty (60) days prior to the 30th day of June of any subsequent year in which the Master Agreement may terminate, serves written notice on the other of its desire to change, modify, amend, supplement, renew, extend or terminate this Agreement.

All notices required to be given to the Union shall be addressed to it at 265 Hegenberger Road, Suite 220, Oakland, California 94621.

While this Agreement continues in effect, neither party will make demands upon the other party for any changes in conditions or benefits or for any new or additional conditions or benefits except at the time and in the manner provided above. Notice to the Employer shall be deemed notice to all individual employers.

The parties to this Agreement recognize the necessity of assuring the competitive position of the parties within the industry during the term of this Agreement. Consistent with that recognition, the parties will continually monitor the effectiveness of this Agreement relative to specific geographic or market areas and will endeavor, by mutual agreement, to initiate such

modifications to the Agreement during its term as may be necessary to assure the work opportunities of the employees and the competitive position of the individual employers.

SECTION 2-A CARPENTERS WORK PRESERVATION COMMITTEE

Notwithstanding the provisions of Section 2, the parties to the Agreement hereby establish a Committee composed of three (3) representatives appointed by the Carpenters 46 Northern California Counties Conference Board and three (3) representatives appointed by the Construction Employers' Association of California, Inc. This Committee will review requests for changes in the terms and conditions of the Labor Agreement that may be necessary to preserve work opportunities for employees and individual employers covered by the Agreement. The Committee is authorized to approve such changes as it deems to be in the best interest of the parties to the Agreement.

This Committee shall be empowered to develop rules and procedures, subject to the approval of the bargaining parties, to carry out the intent of the bargaining parties.

SECTION 5 RECOGNITION OF EMPLOYER

The Union hereby recognizes the Employer as the sole and exclusive bargaining representative for their respective members, present and future, who are or hereafter become members.

SECTION 6 EMPLOYER MEMBERSHIP

This Agreement is made for and on behalf of and shall be binding upon all persons, firms or corporations under any name or style of doing business in the construction industry that, at the time of the execution of this Agreement are, or during the term hereof become, members of the Employer, in the area covered by this Agreement. A list of such individual Employer members shall be furnished to the Union upon the execution of this Agreement, and thereafter shall be furnished to the Union not less often than once a month.

In addition, the Employer shall immediately notify the Union in writing whenever an individual employer becomes a member of the Employer. Notwithstanding the foregoing, the Union shall have the right, within 72 hours of receipt of said written notice, to object to any individual employer becoming a party to this Agreement and to insist upon, if appropriate, negotiations separately with that individual employer. Upon receiving such objection from the Union, this Agreement shall be null and void ab initio for all purposes as to that individual employer only. This paragraph does not apply to an individual employer that is signatory to an existing Agreement with the Union.

All individual employers shall be and remain liable under this Agreement for and during the term thereof, irrespective of whether such individual employers shall resign from membership in the Employer or withdraw from the Carpenter Multiemployer Bargaining Section prior to the expiration date of this Agreement, and such liability shall be deemed to have survived the termination of said membership or withdrawal and remain in force for and during the term of this Agreement. Such individual employers shall be bound by any amendments, modifications, supplements, changes, extensions or renewals of or to this Agreement unless such individual employer gives written notice to the Union not more than ninety (90) days nor less than sixty (60) days prior to July 1, 2019 or July 1 of any year in which this Agreement may terminate.

SECTION 7 RECOGNITION OF UNION

The Union has requested recognition as the Section 9 (a) representative of the employees covered by this Agreement and has demonstrated or offered to demonstrate through authorization cards that it has the support of the majority of the employees. The Employer and each individual employer expressly acknowledge that they and each of them have satisfied themselves that the Union and/or each of its constituent bodies represents a majority of employees employed to perform bargaining unit work and agrees that the Union and/or each of its constituents is the collective bargaining representative of such employees. The Employer on behalf of itself and each of its members and each individual employer specifically agrees that it and they are establishing or have established a collective bargaining relationship by this Agreement within the meaning of Section 9 (a) of the National Labor Relations Act, as amended. The Union

is recognized as the sole and exclusive bargaining agent for itself, the NCCRC and all of its affiliated Local Unions.

Any dispute concerning this section shall be resolved by the permanent neutral Arbitrator pursuant to the procedures set forth in Section 51 (Grievance Procedure) of this Agreement, either during the term of this Agreement or anytime thereafter, whenever the issue is raised by either party. The Employer, on behalf of itself and each of its members and each individual employer, specifically agree that the permanent neutral Arbitrator may order (as the Arbitrator deems appropriate) the parties to bargain in good faith for any period following a written notice of termination of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated.

SECTION 8 INDEPENDENT AGREEMENT

In the event the Union establishes special conditions for work covered by the Agreement, those special conditions shall be made available to the Employer or individual employers who wish to perform the designated work in the same locality as provided for in that immediate Area Agreement.

The Union will promptly notify the Employer in writing of any amendment, modification, exception or addendum to this Agreement which might be negotiated in any area covered by this Agreement between the Union, any individual employer or group of individual employers.

SECTION 9 LIABILITY OF THE PARTIES

This Agreement is made for and on behalf of, and shall be binding upon all persons, firms and corporations, who at the time of execution of this Agreement are members of Employer, or subsequently become members of Employer as defined in Section 6 (Employer Membership). This Agreement is binding upon each individual employer regardless of whether or not the individual employer changes the name or style or address of the business. Each individual employer, corporate or other legal entity, or its successor as per Section 6, shall be liable, subject to, and bound by this Agreement. It is agreed that the wages, hours, and working conditions of this Agreement are the wages, hours, and working conditions in the area covered by this Agreement.

Except as may be provided in Section 2 (Term of Agreement) of this Agreement, each employer individually signatory hereto waives any right that he or it may have to terminate, abrogate, repudiate, or cancel this Agreement during its terms, during the term of any future modifications, changes, amendments, supplements, extensions, or renewals of or to said Master Agreement, or to file any Petition before the National Labor Relations Board seeking to accomplish such termination, abrogation, cancellation or repudiation.

SECTION 10 GENERAL SAVING CLAUSE

It is not the intent of either party hereto to violate any laws, rulings, or regulations of any governmental authority or agency having jurisdiction of the subject matter or of this Agreement, and the parties hereto agree that in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings or regulations, nevertheless, the remainder of this Agreement shall remain in full force and effect unless the parts so found to be void are wholly inseparable from the remaining portion of this Agreement. The parties agree that if and when any provisions of this Agreement are held or determined to be illegal or void they will then promptly enter into lawful negotiations concerning the substance thereof.

It is the intent of the parties to this Agreement that each and every, all and singular, of the provisions of this Agreement be fully in accordance with Federal and State Law. Its interpretation and the interpretation of each of the provisions of this Agreement are therefore intended to apply no broader than that permitted by law.

SECTION 11 NO DISCRIMINATION

It is mutually agreed that the individual employer and the Union shall fully comply with all federal and state laws, including but not limited to all of the provisions of Title 7 of the Civil Rights Act of 1964, as amended; the California Fair Employment and Housing Act, as amended; and the Americans with Disabilities Act of 1991, as amended to the end that no person shall, on the grounds of age, sex, race, color, national origin, sexual orientation, gender, ancestry, disability as defined by the Americans with Disabilities Act of 1991 and the California Fair Employment and Housing Act, or Vietnam Veteran status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination by not having full access to the contents of this Agreement.

It is further agreed that no person or applicant for employment shall be discriminated against or shall have his/her employment relationship affected by reason of his/her age except as provided in the Trust Agreement, rules and regulations, and statements of procedure governing the Carpenters Training Committee for Northern California.

Nothing in this section and no grievance filed pursuant to this section shall be deemed a waiver of any individual worker's statutory rights provided by federal and/or state laws.

Throughout this Agreement, wherever the masculine gender appears, the feminine form applies equally and may be substituted therefore.

SECTION 12 UNION SECURITY

(1) Every person performing work covered by this Agreement who is a member of the Union and in the employment of an individual employer on work covered by this Agreement on the effective date of this Section 12 shall, as a condition of employment or continued employment, remain a member in good standing of the Union or the appropriate Local Union of the Union. Every other person covered by this Agreement and employed to perform work covered by this Agreement

shall be required, as a condition of employment, to apply for and become a member of and to maintain membership in good standing in the Union or the appropriate Local Union of the Union which has territorial jurisdiction of the area in which such person is performing work on the expiration of eight (8) days of employment, continuous or cumulative, on such work following the beginning of such employment or the effective date of this Section 12, whichever is later. Membership in any Local Union shall be available to any such person on the same terms and conditions generally applicable to other members. If Federal Law is hereafter amended to permit a lesser requirement for union membership or union membership as a condition of employment than provided in this Section 12, the Employer and the Union will promptly enter into negotiations with regard to such subject.

- (2) The individual employer shall not be required to discharge any employee pursuant to this Section 12 until a written notice from the appropriate Local Union of the Union of such employee's non-compliance with this Section 12, stating all pertinent facts showing such non compliance, shall have been served upon such individual employer and two (2) working days shall have been allowed for compliance therewith.
- (3) No person (owner, partner, or officer of any individual employer) shall be permitted to perform work covered by this Agreement unless such person is covered by all the provisions of this Agreement including the payment of all Trust Fund contributions; provided, however, that not more than one (1) owner may be permitted to work with the tools under the same conditions with the exception of Section 12 (1), and provided that while contributions to all Trust Funds shall be required on the basis of hours actually worked, no Health and Welfare eligibility shall be accrued or granted for an owner required to report under this section unless hours for which contributions are received on behalf of the owner equal or exceed an average of 145 hours during the three most current work months and provided that all contributions due on behalf of all hours for all employees reported by the individual employer are current. Furthermore, no hours reported under this section shall be used to qualify for any disability benefit, credit, or extension provided by any of the Carpenter Benefit Funds established by this Agreement. Additionally, in the event that delinquent contributions are due, no owner hours to any Trust Fund shall be credited towards benefits until the delinquency is resolved.

This section shall not be interpreted so as to diminish work opportunity for employees covered by this Agreement.

Membership in good standing shall be defined as the tendering of uniform initiation fees and dues, including work fee.

SECTION 13 UNION REPRESENTATIVE

Union representatives shall be permitted at all times upon any place or location where any work covered by this Agreement is being, has been or will be performed.

Where there are visitation restrictions imposed at the jobsite by entities other than the individual employer, the individual employer will use his/her best efforts to provide access to the site by the union representative.

SECTION 14 STEWARDS

- (1) A steward shall be a working journeyman employee, appointed by the Local Union or the NCCRC of the Union, who shall, in addition to his/her work as a journeyman be permitted to perform, during working hours, such of his/her Union duties as cannot be performed at other times. The Union agrees that such duties shall be performed as expeditiously as possible and the Employer agrees that stewards shall be allowed a reasonable amount of time for the performance of such duties. The Union shall immediately notify the individual employer of the appointment of each steward to be confirmed by letter. Unless notified to the contrary, the first journeyman on the job shall act as job steward until the Union appoints a successor. In no case shall a foreman be a steward.
- (2) No steward shall be laid off or terminated except for just cause. In the event of layoff or discharge of a steward, the Union shall be given notice in writing at least two (2) working days prior to the effective date of such discharge or layoff. Such notice shall contain the reasons for layoff or discharge.
- (3) The steward shall be the last employee other than the foreman to be laid off for lack of work but may be transferred to another job provided the Union is given prior notice of the transfer.
- (4) Application or violation of this Section shall be subject to Section 51 (Grievance Procedure).

SECTION 15 NO STRIKE

Except as provided in this Section, there shall be no strike, lockout or work stoppage by any party hereto or any individual employer. The Union may withhold workers or picket the job of any individual employer who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union may withhold workers of any subcontractor who fails to pay wages or is in violation of the Piece Rate Prohibition or Trust Fund Contribution provisions of this Agreement. The Union, with five (5) days written notice to the individual employer may withhold workers or picket the job of any individual employer for violation of the Hiring Hall, Union Security or Subsistence provisions of this Agreement only if no dispute exists between the Employer and the Union concerning such alleged violation.

SECTION 16 JURISDICTIONAL DISPUTES

There shall be no cessation or interference in any way with any work of the Employer or any individual employer by reason of Jurisdictional Disputes between the Union and any other union with respect to jurisdiction over any of the work covered by this Agreement. Such disputes will be settled by the Unions themselves, or submitted to the International Presidents of the Unions involved in the dispute, for determination. Until such determination is made and confirmed by the disputing Unions, the work shall proceed as originally assigned by the individual employer. Craft jurisdiction is neither determined nor awarded by classifications or coverage descriptions appearing in this Agreement. The individual employer shall be bound by an agreement between the General Presidents.

SECTION 17 PICKET LINES

The parties to this Agreement recognize that it is vital to the Unionized segment of the Construction Industry that the work opportunities of the employee and the individual employer signatory to this Agreement proceed without interruption because of disputes involving employers and/or unions not signatory to this Agreement.

The Union will not discipline, the individual employer will not permanently replace and the parties both agree not to threaten nor cause to be denied the rights of individual workers to respect primary picket lines established at or on the jobsites of the individual employer.

SECTION 18 EFFICIENCY

It is agreed that the carpenters, through their field representatives, use their efforts to encourage greater efficiency on the job and that they refrain from the solicitation of premium payments for employees represented by the Union. The employees and the Union shall use their efforts to encourage greater efficiency compatible with sound construction practices on the job and shall refrain from the solicitation of premium payments for employees.

Except as provided in Section 50 (Work Preservation, Contracting and Subcontracting) hereof, neither party to this Agreement shall by working rules or any other means or device, impose or direct any work limitations affecting quantity restrictions, quotas or units of production, either maximum or minimum, relating to work covered by this Agreement.

No rules, customs or practices shall be permitted that limit production or increase the time required to do any work. There shall be no limitation or restriction of the use of machinery, tools or other labor-saving devices supplied by the individual employer.

SECTION 19 SAFETY

The Union shall cooperate (1) with the individual employer and with each other in carrying out all of the individual employer's safety measures and practices for accident prevention and (2) employees shall perform their duties in each operation in such a manner as to promote efficient operation of each particular duty and of any job as a whole. The Union and the Employer recognize that drug and alcohol abuse creates an unsafe and inefficient work place. The individual employer must post the name and address of their doctor and the compensation insurance carrier on the jobsite.

All Federal and State safety rules, regulations, orders and decisions shall be binding upon the individual employers and their employees and shall be applied to all work covered by this Agreement. No worker shall be required to work under unsafe conditions.

The individual employer shall be solely responsible for implementation and maintenance of such safety laws, rules, regulations, standards, orders and decisions. Neither the Union nor any Local Union or the NCCRC is responsible for such implementation or maintenance.

All safety equipment required by State or Federal regulations, including hard hats, shall be provided and maintained by the individual employer without cost to his/her employees. Upon termination the employee shall return such equipment to the individual employer.

SECTION 20 PRE-JOB CONFERENCES

- (1) The individual employer shall at his/her option or at the option of the Union or the NCCRC call for a pre-job conference. If the Union or the NCCRC desires, it shall be entitled to a pre-job conference solely with the individual employer. The individual employer may include his/her subcontractors at such conference.
- (2) The individual employer shall advise the Union or the NCCRC in writing, at all times of the names (including trade names and names of individual proprietors or partners who signed the subcontract) and addresses of all subcontractors or his/her subcontractors employed or to be employed or contracted with for services to be performed under this Agreement. Such written notice shall be made at the pre-job conference or ten (10) days prior to the commencement of work by any such subcontractor.
- (3) The individual employer shall, upon request of the Union or the NCCRC, submit letters of past or present work assignment for purposes of clarifying questions of Union jurisdiction.

SECTION 21 AUDIT

Each individual employer upon request of the Union, the Employer, or any Trust Fund specified in this Agreement, shall permit the Trust Fund Auditors to review any and all records relevant to the enforcement of the provisions of this Agreement and to enter upon the premises of such individual employer during business hours at reasonable time or times to examine and copy such books, records, papers or reports of such individual employer as may be necessary to determine whether or not the individual employer is making full payment of all sums required by this Agreement. The decision as to the relevancy of records shall be made by the Joint Delinquency Subcommittee and their decision shall be binding on all parties. Such review shall be permitted not less than ten (10) working days after demand. If the individual employer cancels an audit appointment without appropriate two (2) hours' notice to the auditor, the cost of such lost time by the auditor shall be borne by the individual employer.

The cost of audit shall be borne by the individual employer if a shortage disclosed by the audit exceeds \$4,500.00 and is not the result of clerical error.

Trustees of the Trust Funds specified in this Agreement are authorized to determine the appropriate formula to be applied to compute appropriate Trust Fund contributions. The individual employer shall be required to comply with such Trust Fund formula and make payments to the Trust Funds immediately upon being advised of the amount due.

Any legal action to compel audit entry shall be filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California.

Any individual employer who refuses audit entry shall pay all the legal fees and costs necessary for compliance of audit entry.

The Union has the right to withhold workers from any individual employer who refuses to make available relevant records necessary for the completion of the audit.

Information derived from the audit shall be confidential and used solely for the enforcement of this Agreement.

SECTION 22 WORK DAY

The regular work day shall be eight (8) consecutive hours (exclusive of lunch period) between the hours of 6:00 a.m. and 5:00 p.m.

Once the regular work day is established, it shall be for no less than five (5) consecutive regular work days and may be changed only by written notification from the individual employer to the appropriate District Office of the NCCRC.

The rate of pay for all hours worked other than the regular established work day shall be governed by Section 26, (Overtime).

Any employee who works more than five (5) hours without a meal period shall be paid for all work in excess of said five (5) hour period at the applicable overtime rate until a meal period is provided. (Such pay shall be reckoned by the hour and half-hour.)

Every individual employer shall authorize and permit all employees to take rest periods, which insofar as practicable, shall be in the middle of each work period. Nothing in this provision shall prevent an individual employer from staggering rest periods to avoid interruption in the flow of work and to maintain continuous operations, or from scheduling rest periods to coincide with breaks in the flow of work that occur in the course of the work day. The authorized rest period time shall be based on the total hours worked daily at the rate of ten (10) minutes net rest time for every four (4) hours worked, or major fraction thereof. Rest periods shall take place at individual employer designated areas, which may include or be limited to the employee's immediate work area.

Rest periods need not be authorized in limited circumstances when the disruption of continuous operations would jeopardize the product or process of the work. However, the individual employer shall make-up the missed rest period within the same work day or compensate the employee for the missed ten (10) minutes of rest time at his/her regular rate of pay within the same pay period.

A rest period need not be authorized for employees whose total daily work time is less than three and one-half (3½) hours. Authorized rest period time shall be counted as hours worked for which there shall be no deduction from wages.

It is understood that the employee will take his/her appropriate rest period unless the individual employer specifically directs the employee not to take this rest break due to operational requirements.

If an individual employer fails to provide an employee a rest period in accordance with the applicable provisions of this Section, the individual employer shall pay the employee one (1) hour of pay at the employee's regular rate of compensation (excluding fringe benefits) for each work day that the rest period was not provided.

A heat illness preventative cool-down recovery period of no less than five (5) minutes shall be made available in order to prevent heat illness.

Employees believing a preventative cool-down recovery period is needed to avoid heat illness or suffering from heat illness shall be provided access to an area with shade that is either open to the air or provided with ventilation or cooling and provided for a period of no less than five (5) minutes. Such access to shade shall be permitted at all times. Cooling measures other than shade (e.g., use of misting machines) may be provided in lieu of shade if the individual employer can demonstrate that these measures are at least as effective as shade in allowing employees to cool.

Employees should not discount any discomfort or symptoms they are experiencing. They should immediately report any problems they are experiencing to a supervisor and coworker. Employees must notify their supervisors immediately if they believe they require access to shade, or alternative cooling measures and/or a preventative recovery period.

If an individual employer fails to provide an employee a preventative recovery cool-down period in accordance with this Section, the individual employer shall pay the employee one (1) additional hour of pay at the employee's regular rate of compensation, excluding fringe benefits, for each work day that a requested preventative recovery period is not provided. No employee shall be discriminated against for exercising his/her rights pursuant to this section.

All pay shall be reckoned by the day and half-day as follows: Employees who start work at the regular work day or shift shall receive four (4) hours pay or pay for actual hours worked, whichever is greater, regardless of the reason for the inability to complete the regular work day or shift. If the employee voluntarily quits, the employee shall receive pay only for actual hours worked.

Any dispute regarding the provisions of this Section shall be subject to Section 51 (Grievance Procedure) of this Agreement.

SECTION 23 SHIFT WORK

Shift work can only be established upon prior notice from the individual employer to the Union and shall be performed as follows:

Except as provided below, where multiple shifts are worked, if the individual employer elects to work the day shift between the hours of 6:00 a.m. and 5:30 p.m., that shift shall work eight (8) hours and for such work they shall be paid the regular straight time rate for eight (8) hours; the second shift shall work seven and one-half (7 ½) hours, and for such work they shall be paid the regular straight time rate for eight (8) hours; if a third shift is worked, they shall work seven (7) hours and for such work they shall be paid eight (8) hours regular straight time pay. No multiple shift shall be established or started for less than three (3) consecutive work days.

On tenant improvement or renovation projects in occupied buildings with a total contract value of five (5) million dollars or less, the individual employer may perform multiple shift operations on the basis of eight (8) hours pay for eight (8) hours work on all shifts at the regular straight-time rate.

Overtime rates shall be paid for all hours worked on the second or third shift if less than three (3) consecutive days are worked. The provisions of this Section 23 with regard to rates of pay for shift work shall apply solely to the portion of the job which requires shift operations.

When it is a condition of securing the work, a special single shift may be established that will be for no less than three (3) consecutive days, for off hours between Monday and Friday, and will allow for eight (8) hours pay for eight (8) hours work. Work in excess of eight (8) hours per day shall be subject to the overtime provisions of this Agreement.

All work in excess of eight (8) hours on Saturday and all work on Sundays and holidays shall be double time.

Payments or contributions to each of the Trust Funds provided for in this Agreement shall be based on hours worked or paid for, which include contributions for eight (8) hours per shift. No payment or contribution shall be computed at the rate of time and one-half or double the required rate of payments or contributions per hour, nor shall any such payments or

contributions be considered part of the hourly wage rate for the purpose of computing overtime, either under this Agreement, the Fair Labor Standards Act, the Walsh-Healey Act or any other law.

On shift work (a) workers working a shift who come off work on Saturday morning at 8:00 a.m., are to be considered working Friday; (b) workers working a shift who come off work on Sunday morning at 8:00 a.m., are to be considered working Saturday; and (c) workers working a shift who come off work on Monday morning at 8:00 a.m., are to be considered working Sunday.

All regularly scheduled shift work performed on Saturday, Sunday and holidays, shall be in accordance with the overtime rates herein specified. All such work shall be performed under the terms and conditions of this Section 23 as to hours worked and rate of pay.

SECTION 24 WORK WEEK

The regular work week shall consist of forty (40) hours of work Monday through Friday. In the event that work cannot be performed Monday through Friday or Tuesday through Friday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Saturday and shall be paid at the applicable straight time rate. In the event that work cannot be performed Monday through Thursday (4 x 10 work week) because of inclement weather or major mechanical breakdown, employees may voluntarily make up such day on Friday and shall be paid at the applicable straight-time rate. As a courtesy, the individual employer shall advise the appropriate District Office of the NCCRC whenever it intends to implement the Saturday (or Friday for a 4 x 10 Monday through Thursday work week) make-up day. (The NCCRC District Office phone numbers are as follows: Northern (916) 641-1041, Southern (408) 445-3000, and Central (510) 568-4788.)

Four (4) by Ten (10) work week (4 x 10): An individual employer may establish a work week of four (4) consecutive days of ten (10) consecutive hours, Monday through Thursday or Tuesday through Friday, provided the appropriate District Office of the NCCRC is notified in advance. Applicable overtime rate shall be paid for all work before a shift begins, after ten (10) hours, and on Saturdays, Sundays and holidays. After twelve (12) hours, double time shall be paid. In the event two (2) shifts are employed, nine and one-half (9½) consecutive hours work, (on the second (2nd) shift) exclusive of meal period, shall constitute a shift's work for which ten (10) hours shall be paid. Provided, further, all shifts are worked the same four (4) consecutive days during a 4 x 10 work week, except as may be changed by mutual agreement. All hours in excess of forty (40) hours in any one (1) week shall be compensated at the applicable overtime rate.

On Residential projects as described in Appendix C, (Residential Addendum) the work week shall remain as contained therein.

Veterans shall provide the individual employer with two (2) working days' notice to observe Veterans Day. Upon request of the individual employer, members shall provide proof of military service. Veterans choosing to work on Veterans Day shall be compensated at the appropriate straight time and daily overtime rates.

SECTION 26 OVERTIME

- A. On all building construction, the first two (2) hours prior to the start of the regular or approved day or the first four (4) hours after the end of the approved or regular work day, not to exceed a total of four (4) hours in any one (1) work day shall be paid at time and one half.

Time and one-half shall be paid for the first eight (8) hours worked on Saturdays.

All other time shall be paid at double the straight time rate.

SECTION 27 PARKING

In the event free parking facilities are not available within 1320 feet (measured by the most direct route on a dedicated vehicular public thoroughfare) of a jobsite, the individual employer will provide such facilities and the individual employer shall have the right to designate parking areas to be used. Where, because of congested parking conditions, it is necessary to use public facilities, the individual employer shall reimburse the employee for the cost of such parking upon being presented with a receipt or voucher certifying to the cost thereof, such reimbursement to be made on a weekly basis or at the conclusion of the project, whichever occurs earlier. Designated parking area shall be drained and hard surface.

SECTION 28 TOOLS

Carpenters and apprentices shall furnish their own tools, but shall not furnish, rent or lease horses, ladders, mitre boxes, electric drills, automotive equipment to be used for the purpose of hauling or delivering individual employer's materials or equipment, or any kind of power operated machines or saws. Each employee shall arrive on the job with tools in proper condition. To implement this section, the individual carpenter shall provide a toolbox with a lock. If necessary the employee shall be allowed a reasonable amount of time during the work week to sharpen tools on the individual employer's time.

The individual employer shall provide a reasonably secure place where his/her employees may keep their tools. Where ten (10) or more carpenters are employed on any one (1) job or project the individual employer shall provide a separate tool house, or a separate compartment of a tool house under lock and key, for the exclusive use of carpenters. Failure on the part of the individual employer to comply with the provisions hereof shall be referred to the Joint Adjustment Board. If any individual employee's full kit of working tools is lost by reason of fire or theft while in the individual employer's care, the individual employer shall reimburse the employee for such loss up to a maximum of seven hundred and fifty

dollars (\$750). Within two (2) working days from the date of claim for loss of tools as provided herein, the individual employer shall acknowledge liability therefore or reject the claim.

SECTION 29 PICKUP TIME

A carpenter shall be entitled to pick-up time, which shall not be less than five (5) or more than fifteen (15) minutes at the end of each work day, the particular amount of such pickup time depending upon accessibility to the area to which the employee is assigned. The amount of pick-up time shall be determined by mutual agreement at a jobsite conference between representatives of the individual employer and the Union.

SECTION 30 SHOW UP TIME, TERMINATION PAY AND DISCHARGE

Other than on the first (1st) day of dispatch, in which case two (2) hours shall apply, workers who report for work, for whom no employment is provided, shall be entitled to four (4) hours pay, except where bad weather conditions beyond the control of the individual employer prevent employment.

Payments of contributions to each of the Trust Funds provided for in this Agreement shall be made with respect to payments required by this Section 30.

Except as hereinafter provided, carpenters who start work, but are discharged between the hours of 8:00 a.m. and 12:00 noon, shall receive four (4) hours pay; carpenters starting work at 8:00 a.m. who are discharged between the hours of 12:00 noon and 4:30 p.m. shall receive pay only for hours worked.

Carpenters discharged on the first (1st) day of employment for inefficiency, insubordination or intoxication, shall receive pay only for hours worked. Carpenters who voluntarily quit shall receive pay only for hours worked.

DISCHARGED EMPLOYEE: Employees receiving notice of termination for any reason shall be allowed a reasonable time (not less than fifteen (15) minutes) before the end of the regular work day to assemble their tools in addition to the normal pick-up time prevailing on the job.

After forty (40) hours of employment, the individual employer may discharge any employee for just cause only. Just cause is subject to Section 51 (Grievance Procedure), the grievance and arbitration provision of this Agreement. The individual employer during the first forty (40) hours of employment may reject or discharge any employee for any reason.

Discharge for cause shall be in writing to the employee.

SECTION 31 PAYMENT OF WAGES

An employee who works the full designated work week shall receive on the last day of that work week pay for not less than the number of hours worked on the Monday of that same work week.

Each individual employer shall provide with each payroll check an itemized check stub showing separately the date of issuance, each contribution and deduction made from the payroll period covered by the check or a separate statement showing the name of the employee, the name and the individual employer's contractor's license number and/or address and the employee's social security number. There shall be no cash payment of any nature or kind whatsoever. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time or bonuses shall be prima facie evidence of an attempt to violate the provisions of this Section 31. An individual employer may pay employees utilizing direct deposit, as provided under California law. Payment by direct deposit shall be at the employee's option and not as a condition of employment. Late deposits shall be subject to Section 31, paragraph 3. Final compensation shall be paid by check.

Should an individual employer compensate an employee with a check for which payment is refused by the individual employer's bank because of insufficient funds, or should an individual employer fail to pay his/her employees on the regular, established pay day for his/her job, the obligation of the individual employer to the individual employee shall continue at the employee's regular straight time rate for a period not to exceed forty (40) hours, notwithstanding the above, unless the refusal of payment by the bank is due to the bank's error or omission or to circumstances which are beyond the control of the individual employer. Any question concerning responsibility of the individual employer on whether the omission is beyond his/her control shall be subject to the grievance procedure of this Agreement. Nothing herein shall, however, prevent the individual employer from changing his/her payroll date upon five (5) days' notice to the appropriate Local Union of the Union that the employee's pay date is being changed.

If terminated by the individual employer for any reason the employee shall be paid immediately in full. His/her pay status shall continue for each calendar day until pay is received; provided, however, that not more than eight (8) hours pay shall be charged for any calendar day with a maximum of five (5) days.

SECTION 32 PROHIBITION OF PIECE WORK

No person shall be employed in work covered by this Agreement at piece rates or under any system of bonus pay. Payments by cash or second or multiple checks or combination thereof and/or the payment of excessive travel time, bonuses or other payments as "Travel Pay" or "Subsistence", where not required or permitted by this Agreement, shall be prima facie evidence of a violation of this Agreement.

If at the time of an audit, piece work or bonus payments are discovered, those amounts will be subject to the conversion formula as set forth in Section 21 (Audit). The foregoing shall not apply to an annual bonus paid to supervisors.

SECTION 33 NON-UNION FABRICATED MATERIALS

To the extent permitted by law, the individual employer will not require Carpenters to handle nonunion fabricated materials.

SECTION 34 INJURY

Employees who are, as a result of industrial injury, unable to complete a full day's work, shall nevertheless be paid for the full day on which such injury occurred; provided the attending physician has certified to the employee's inability to complete his/her regular assigned work on that day of such injury.

An industrial injury shall not be cause for discharge and an applicant for employment shall not be rejected because of prior industrial injury, provided that any such prior industrial injury has not caused the applicant to be incapable of satisfactorily performing the duties and functions required by the job to which he/she is assigned or would be assigned.

SECTION 35 DOCUMENT SIGNING

No employee or applicant for employment will be required as a condition of employment or continued employment to sign any document not required by law.

SECTION 36 SUBCONTRACTOR RECORDS

On residential construction, excluding alteration and repair, the individual employer shall keep a record of all hours worked by persons performing work covered by this Agreement for each subcontractor on each separate job or project.

It is recognized and acknowledged that with respect to certain subcontracted functions such as installation of stairways, formica tops, and marble, it would be difficult and impractical to record the precise hours worked at such function. On such work the individual employer shall make an estimate of the hours worked by the installing subcontractor. These records shall be submitted monthly to the Trust Funds specified in this Agreement.

SECTION 37 BONDING

The Union may require of any individual employer who is delinquent in Trust Fund contributions and/or whose payroll checks have been returned for insufficient funds ("bounced"), that such individual employer be required to provide a bond not less than \$5,000.00 or more than \$75,000.00 at the option of the Union or Trust Fund to insure payment of his/her payroll and/or Trust Fund contributions. An acceptable letter from responsible party or joint checks may be substituted for bond requirement. It shall not be a violation of this Agreement for the Union to withdraw carpenters from the job(s) of such individual employer who may upon demand and notice, fail or refuse to present such bond to the Carpenter Funds Administrative Office, 265 Hegenberger Road, Suite 100, Oakland, California 94621-1480. In the event the defaulting individual employer is a subcontractor of a prime contractor signatory hereto, the latter will be notified and given opportunity to post bond as herein provided prior to the withdrawal of carpenters from the job(s); provided, however, the bonding company is approved by the Carpenter Funds Administrative Office for Northern California, Inc.

- A. The Union and the Employer agree that when an employee is working in a supervisory position above the rank of foreman or general foreman (where it appears in this Agreement), the individual employer may, on an employee by employee basis, make payments with respect to the employee's work into the Carpenters Health and Welfare Trust Fund for California on the basis of 145 hours per month, regardless of the number of hours worked by any such employee in a month. If Health and Welfare payments are so remitted by the individual employer then payments shall also be required into the Carpenters Pension Trust Fund for Northern California on the basis of either a minimum of 145 hours per month regardless of the number of hours worked by any such employee in a month, or on the basis of actual hours worked if greater than 145, but not less than 145 hours per month in accordance with the schedules set forth in the Master Agreement; provided, however, the individual employer having made one (1) such payment on an employee shall continue to make such payments so long as the employee is in his/her employ. In the event that such employee remains affiliated with the individual employer in any capacity and the individual employer ceases to report or pay in full for Health and Welfare and Pension for that individual, the individual's Health and Welfare eligibility and any accrued hour bank shall immediately be forfeited. Furthermore, the parties agree that if in a given work month any delinquent contributions are due on behalf of any individual reported by the individual employer, or for whom contributions are required to be made, no hours for employees working in a supervisory position above the rank of foreman or general foreman shall be credited towards Health and Welfare and/or Pension benefits provided in this Agreement until the delinquency for that work month is resolved. Additionally, no eligibility for such supervisory employees shall be granted from an hour bank while an unresolved delinquency exists.
- B. The Union and the Employer agree that the individual employers covered by this Master Agreement may make payments into the Carpenters Health and Welfare Trust Fund for California, and the Carpenters Pension Trust Fund for Northern California in the same manner as provided in Section 46-A on behalf of owners or partners, provided that such individual is performing work within the 46 Northern California Counties area and that, if not an owner or partner would be working as a covered employee under the terms of this Master Agreement and provided further that the individual employer, having made one (1) payment with respect to the work of such an individual, shall continue to make such payments monthly so long as the individual remains affiliated in any active capacity with the individual employer within the 46 Northern California Counties area. In the event that an owner or prior owner, partner or prior partner remains affiliated with the individual employer in any capacity and the individual employer ceases to report Health and Welfare and Pension for that individual, the individual's Health and Welfare eligibility and accrued hour bank shall immediately be forfeited. Furthermore, the parties agree that if any delinquent contributions for any work month are due on behalf of any individual reported by the individual employer, or any individual for whom contributions are required to be made, no hours for owners or partners shall be credited towards any of the benefits provided in this Agreement until the delinquency is resolved. Additionally, no eligibility for such owner

or partner shall be granted from an hour bank while an unresolved delinquency exists. Such individual shall be deemed an employee covered by this Agreement solely for the purpose of participating in said Trust Funds and shall have no other rights or privileges under this Agreement as an employee.

- C. The Union and the Employer agree that when an owner or partner, or an employee who is working in a supervisory position above the rank of foreman or general foreman (where it appears in the Agreement), who is appropriately reported and for whom Health and Welfare and Pension contributions are made in accordance with Section 46-A or Section 46-B, the individual employer may also make payments with respect to the owner, partner, or supervisory employee's work into the Carpenters Annuity Trust Fund for Northern California established by this Agreement and/or post tax deductions from wages to the Carpenters Vacation & Holiday Trust Fund for Northern California established by this Agreement on the basis of either actual hours worked, or on the basis of 145 hours per month regardless of the number of hours actually worked, in accordance with the schedules set forth in the Agreement; provided, however, the individual employer having made one (1) payment on any such individual shall continue to make such payments so long as the individual remains affiliated with the individual employer in an active capacity. The parties further agree that if any delinquent contributions are due on behalf of any individual reported by the individual employer, or for whom contributions are required to be made, no hours for individuals reported under this Section 46 C shall be credited towards either Annuity or Vacation and Holiday benefits provided in this Agreement until the delinquency for that work month is resolved.
- D. The Union and the Employer agree that no hours reported under Section 46 shall be used to qualify for any disability benefits, credit, or extension provided by any of the Carpenter Benefit Funds established by this Agreement.
- E. The Union and the Employer agree that if an individual employer previously reported an owner, partner, or supervisory employee per Section 46 and then ceases reporting on behalf of any such individual, that owner, partner, or supervisory employee's hour bank will be cancelled and the individual employer shall not be allowed to report said individual again. However, the individual employer may reinstate an individual by either retroactively contributing required contributions for twelve months from the current month, or if the failure to report lasted for a period less than twelve months, retroactively paying required contributions to fill in any gap between the current month and the last month for which hours were reported on behalf of the individual. If after one such gap is repaired, the individual employer again fails to report and remit required payments in accordance with Section 46, no additional repairs shall be allowed unless specifically approved by the Board of Trustees of the Health and Welfare and Pension Funds.
- F. The Union and Employer agree that in the event that an individual employer either reports, or attempts to report, and/or contribute on behalf of any individual not specifically covered by this Agreement, all contributions so remitted shall be forfeited and any benefit eligibility accrued to such an individual shall immediately be terminated. Furthermore, if any benefits created by this Agreement are paid

to, or on behalf of such individual, by any of the Benefit Funds created by this Agreement, the individual employer shall be required to reimburse the Benefit Funds for such payments. Additionally, if such ineligible individual is so reported, the individual employer shall forfeit access to Section 46 of this Agreement for all owners, partners, and supervisory employees.

SECTION 47 BASIS FOR CONTRIBUTIONS

Payment of contributions for benefits as provided in Sections 40, 41, 42, 43, 43-A, 44, 45, 45-A and 45-B shall be based upon all hours for which an employee has received payment; provided, however, that contributions shall not become compounded by overtime and all overtime hours for purposes of fringe benefit contributions shall be considered straight time hours.

In order to provide for benefits to employees without disruption during periods of contract negotiations and to assure an orderly means of collecting Trust Fund contributions during such periods, each signatory employer agrees that he or it shall be obligated to contribute to each and every Trust Fund referred to in this Agreement for any period following their termination date of this Agreement unless and until a lawful impasse occurs or until a successor Agreement is negotiated. Each signatory employer further agrees that any or all said Trust Funds may enforce this obligation by action to collect such delinquent contributions filed in any court of competent jurisdiction.

All subsistence shall be governed by the provisions of Appendix A of this Agreement.

The individual employer may discharge any employee for just cause as defined in Section 30 (Show Up Time, Termination Pay and Discharge); provided, there shall be no discrimination on the part of the individual employer against any employee for activities on behalf of or representation of the Union not interfering with the proper performance of his/her duties.

7. It is agreed that, notwithstanding the provisions of this section, the first Foreman and up to twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be employees designated by the individual employer.

Further, an additional twenty-five percent (25%) of the employees employed to perform work covered by this Agreement on any project may be selected by the individual employer from workers who are registered on the out-of-work list and who are members of the Local Union having jurisdiction over the job or project at any location in the 46 Northern California Counties and/or are workers who are qualified or meet the requirements of any mandated local hiring ordinance.

11. To ensure the maintenance of a current registration list, all individuals who do not re-register within two (2) weeks of their previous registration shall be removed from the registration list. If such individuals re-register pursuant to the provisions of this section they shall maintain their previous position on such list.
12. Individuals shall be eliminated from the registration list for the following reasons:

A person placed at the end of the registration list shall be referred to the Carpenters Training Committee for testing and evaluation. If the Training Committee determines that the person has the skills and qualifications of a journeyman carpenter, such person shall be reinstated to his/her place on the registration list. If the Training Committee determines that the person does not have the required skills and qualifications of a journeyman, the Training Committee shall prescribe a course of training and the person shall remain where they were placed on the registration list.

Once a person receives three letters, the person shall not be able to select any classification on the list for which he/she has received a letter, until he/she is evaluated by the Training Committee. Written notification shall be presented to the journeyman at the time of termination and a copy shall be sent to the Union.

After evaluation, the person shall not be able to select any classification on the list for which he/she has been determined to lack the required skills and qualifications until he/she successfully completes the course of training prescribed by the Training Committee.

14. No individual who is rejected by the individual employer shall be referred to such individual employer with respect to the same request pursuant to which he/she was initially referred.

If such notice is given, the individual employer shall pay and satisfy only the amount of any such delinquency by such subcontractor occurring within ninety (90) days prior to the receipt of said notice from the Union, and said individual employer may withhold the amount claimed to be delinquent out of the sums due and owing by the individual employer to such subcontractor.
 - 5c. Notwithstanding the provision set forth above, if the subcontractor is found in violation of the hiring provisions of this Agreement, pursuant to the provision of Section 51 (Grievance Procedure), and the Union is unable to collect from the subcontractor the damages determined to be owing for such violation, the individual employer shall then be liable for the payment of such damages. The total of this liability, as it would apply to the individual employer, shall be no more than five (5) days' violation or the total of the subcontractor's retention being held by the individual employer, whichever amount is greater.
6. If the individual employer fails to give written notice as required in this Section 50, he shall, until notice is received, assume liability for any violation of the terms and conditions of this Agreement at that particular jobsite or job yard, as may be determined by Section 51 (Grievance Procedure). If the subcontractor is signatory or otherwise bound to an Agreement with the Union, the individual employer shall be liable only for delinquencies as set forth in subsection 5a of this Section 50 for work on that jobsite or job yard. If the subcontractor is not in compliance with this Agreement then the individual employer shall be liable for any violation of this Agreement on that jobsite or job yard.
7. If the Union or the NCCRC should make demand in writing for exercise of this section, the individual employer will require that any subcontractor

of the individual employer specified in the demand will, if he has not already done so, post a surety bond in an amount not to exceed \$75,000.00 to cover payments of wages, Trust Fund contributions and fringe benefit payments specified in this Agreement. Failure of the individual employer to comply with this section within two (2) days of demand will make the individual employer liable for the delinquencies of the subcontractor occurring on the individual employer's specific job. (The amount of the bonds specified in this subsection in no way affects the amounts specified for bonding purposes elsewhere in this Agreement.)

8. Notwithstanding any other provision of this Agreement or this section 50, on any residential construction, all work covered by this Agreement shall be performed by the individual employer or prime carpentry contractor, and no such work shall be subcontracted to any other contractor except the installation of foundations, overhead garage doors, plastic sink tops, hardwood floors, roof and exterior wall shingles, traditional normal drywall, patio glass sliding doors, stairs, underlayment, base, acoustical ceilings, steel scaffolding, lathing and insulation. The individual employer or prime carpentry contractor shall provide all materials and the individual employer or prime carpentry contractor shall employ all employees covered by this Agreement who shall be shown on its payroll records except as provided herein. The remedies for default provided in this Section 50 shall apply directly to the individual employer or prime carpentry contractor. The individual employer or prime carpentry contractor shall be responsible for and shall directly employ employees covered by this Agreement to perform all work in connection with the construction of all walls and roof framing, installation of all sub-flooring, all exterior sheathing, installation of all metal or wood sash, doors, installation of all trim, installation of all types of cabinets, wardrobes and sliding doors.
9. The individual employer has the primary obligation for performance of all conditions of this Agreement. This obligation cannot be relieved, evaded or diminished by subcontracting. Should the individual employer elect to subcontract, the individual employer shall continue to have such primary obligation. Said primary obligation shall be deemed conclusive evidence of the Union's majority status for the purpose of establishing the obligation of the individual employer to bargain collectively pursuant to Section 8(A) (5) of the National Labor Relations Act as amended with the Union upon expiration of this Agreement but for no other statute, rule, regulations or law.
10. The provisions of this section may be enforced only through the grievance and arbitration provisions of this Agreement.
11. It is the intent of the parties to enforce the provisions of this section only to the extent permitted by law.
12. Notwithstanding any provisions of this Agreement or any Memorandum Agreement to the contrary, the provisions of this section shall not be enforced by strike action or any other form of job shutdown or work interference; provided, however, that the rights provided in Section 51 (Grievance Procedure) of this Agreement are retained to enforce primary obligations of any individual employer.
13. Payment by cash or second or multiple checks or combination thereof and the payment of excessive premium rates, excessive travel time, or bonuses shall be prima facie evidence of an attempt to violate the

provisions of this section. The foregoing shall not apply to an annual bonus paid to supervisors.

14. No subcontract shall be in compliance with this section if the effect of such subcontract is to diminish, eliminate or circumvent the payment of wages and fringe benefits to employees covered by this Agreement.

SECTION 51 GRIEVANCE PROCEDURE

Any dispute concerning any application or interpretations of this Agreement shall be subject to the following procedure:

1. In the event that a dispute arises on a job, it shall be first reported to the individual employer and/or the Field Representative of the appropriate Local Union or the NCCRC who shall then attempt to adjust said grievance or dispute at the jobsite level.
2. The grieving parties shall specify the date(s) of the alleged violation(s) and the provision(s) of the Agreement applicable to the dispute.
3. If said grievance or dispute is not satisfactorily adjusted by the appropriate Local Union or the NCCRC or otherwise authorized Union Representative and the individual employer or his/her representative within three (3) days after submission to the individual employer, the matter may be submitted by either party to a permanent Board of Adjustment created for the settlement of such disputes.
4. The Board of Adjustment shall be composed of one (1) member named by the Union, one (1) member named by the Association and an Impartial Arbitrator. The parties shall select an alternate to the permanent neutral Arbitrator who shall serve only in the event the permanent neutral Arbitrator is unable to serve. At any point in the proceedings should the panel be unable to reach a majority vote the Arbitrator shall participate and his/her decision shall be final and binding.
5. In addition to any rule or procedure which the panel may adopt, the Board of Adjustment shall be governed by the following provisions:
 - (a) No briefs shall be submitted nor a transcript made of the hearing except by mutual agreement of the parties or by direction of the Arbitrator. Any transcript ordered by any party shall be at the expense of the party ordering the transcript.
 - (b) In the case of deadlock, the Arbitrator shall render his/her decision upon the conclusion of the case at the Board of Adjustment hearing, unless the time is extended by mutual agreement of the parties or at the request of the Arbitrator. The Arbitrator shall not render an expanded opinion in any case unless requested by the parties.
 - (c) The parties shall select and utilize a permanent Impartial Arbitrator who is willing to abide by the procedures set forth herein. By agreement of both parties, the Impartial Arbitrator may be changed or replaced.

- (d) The Board of Adjustment or the Arbitrator may fashion an appropriate remedy to resolve the issue including, but not limited to, back pay, money damages, injunctive relief, audit, payment of wages and fringe benefits to persons damaged by the contract violations, interest or attorneys' fees.
 - (e) Any grievance involving an individual employer not a member of any of the signatory associations shall be submitted directly to the Arbitrator unless the individual employer agrees to submit the matter to the Board of Adjustment.
6. Disputes arising out of work assignment, which are governed by Section 16 (Jurisdictional Disputes) will not be heard at these panels.
 7. The Board of Adjustment shall meet within forty-five (45) days on any item properly before the Board. Failure of either party to meet or to participate shall cause the Board or Arbitrator to hear and decide the matter on a default basis.
 8. Decisions of the Board of Adjustment or an Impartial Arbitrator shall be within the scope and terms of this Agreement and shall be final and binding upon all parties hereto.
 9. In the event an individual employer fails to comply with any such decisions, the Union may withdraw employees or strike the individual employer, and such action shall not be a violation of this Agreement so long as such noncompliance continues, provided, however, that the Union may not enforce the provisions of Section 50 (Subcontracting) by economic action or picketing.
 10. The expenses of the Joint Adjustment Board and the Impartial Arbitrator, including the cost of a court reporter, shall be borne equally by the parties hereto.
 11. No proceeding hereunder based on any dispute, complaint or grievance herein provided for, shall be recognized unless the grievance procedure steps outlined above have been followed. The Arbitrator or Board may for good cause, accept a late submission, which shall then be decided by the Board of Adjustment.
 12. The Board of Adjustment shall establish regular meeting dates and administer grievances filed in conjunction with this section as set forth in the rules and procedures, which may be amended from time to time by the parties.
 13. A decision of the Board of Adjustment by majority vote, or the decision of a permanent Arbitrator shall be enforceable by a petition to confirm an arbitration award filed in the Superior Court of the City and County of San Francisco, State of California, or the United States District Court for the Northern District of California. Any party who fails or refuses to comply with a decision of a Board of Adjustment or an award of the Arbitrator, as the case may be, shall be responsible for reasonable attorneys' fees for the filing and trial of any petition to confirm and enforce said decision or award in addition to all other remedies available through law, unless the petition is denied.
 14. All hearings of the Board of Adjustment shall be in the City and County of San Francisco, and/or County of Alameda, unless mutually agreed to move to another location.

15. Other than matters concerning discharge, no proceedings mentioned hereinabove on any dispute, complaint or grievance shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the last date the alleged violation was committed.
16. On all cases relating to discharge or discipline, employees must file their grievances with the Local Union or the NCCRC within three (3) working days after the imposition of the discharge or discipline. Thereafter, the Local Union or the NCCRC must file its grievance with the Board of Adjustment within four (4) working days after the employee files his/her grievance. The Board shall meet within seven (7) working days following submission of the grievance. The Board of Adjustment or Arbitrator shall be free to sustain the discharge or to find discipline other than discharge to be appropriate and may order reinstatement with full or partial back pay as he or it deems appropriate provided there shall be no discrimination on the part of the individual employer against any employee for activities on behalf of or representation of the Union not interfering with the proper performance of his/her duties.
17. If failure of a Board of Adjustment to meet within one week (7 working days) is due to the unavailability of the Union, the wage payment and Trust Fund contribution liability shall be limited to the above seven (7) working days. If the Employer or individual employer, or Arbitrator is unavailable to meet, the wage payment and Trust Fund contribution liability shall be continuing.

IN WITNESS WHEREOF, the parties hereto have executed this document this 3rd day of June, 2014 in Oakland, California.

The established lunch period will constitute the reckoning of the day or half day. If the job circumstances require Millwrights to work more than ten (10) hours on a shift, they shall have a second meal period of one-half (½) hour and an additional meal period every four (4) hours thereafter. Such meal period shall be paid for at the prevailing overtime rate by the employer.

On private residential projects covered and registered as per Appendix C, a pre-apprentice period is established as follows:

Period of time - 180 calendar days. Wage rates 35% of the applicable journeyman rate plus fringe benefit contributions as follows: Training, Work Fee, Industry Promotion, UBC Health & Safety, Work Preservation and Carpenter Employers Contract Administration.

Section 1
Union Security

- (a) Every employee covered by this Agreement who is a member of the Union and in the employ of the Employer shall, as a condition of employment or continued employment, remain a member in good standing of the appropriate Local Union. Every other employee covered by this Agreement shall be required, as a condition of employment or continued employment, to apply for and become a member of, and to maintain membership in good standing in the appropriate Local Union on or after the expiration of thirty-one (31) continuous or cumulative days of employment. In the event that federal law setting forth the time limitations for requiring membership are changed so as

to allow a shorter limitation for requiring membership or changed so as to allow a shorter period before membership must be obtained, the parties hereto agree that shorter periods as may be allowed, by law, shall be applicable hereto.

For purposes of this section "good standing" shall be defined to mean employees who tender the periodic dues, initiation and reinstatement fees uniformly required as a condition of acquiring or retaining membership. The Union agrees to accept non-member employees into membership on the same terms and conditions generally applicable to other member employees.

Upon written notice from the Union or failure on the part of any individual to complete membership in the Union or to maintain membership in the Union as required by this Section, the Employer shall immediately discharge said employee.

If the notice is other than in writing, the Employer shall confirm such notice that same date using form OFE-1 (Order for Employees) set out as Exhibit "1" attached hereto and made part of this Agreement.

The Local Union shall be permitted an opportunity to refer applicants to fill such vacancies within forty-eight (48) hours of such notice, excluding Saturdays, Sundays, and holidays. Five (5) days shall constitute a regular work week from Monday through Friday, inclusive. The starting time of the regular work day may be changed by the Employer upon written notice to the Union at least seven (7) days in advance of the change in starting time.

- (c) A pay period shall be any seven (7) consecutive days. Employees shall be paid on a regularly designated payday each week for all work performed during the previous pay period. Checks shall be distributed before the regular quitting time on the regular payday.
- (d) Should an Employer compensate an employee with a check for which payment is refused by the Employer's bank because of insufficient funds or should an Employer fail to pay his employees on the regular established payday for work performed, the Employer shall be obligated to pay a penalty equal to eight (8) hours straight-time pay for each work day thereafter up to a total of forty (40) hours penalty pay in addition to the Employer's obligation to pay for hours worked.

Such penalty shall not apply when there is a bank error or omission or when the failure to make timely payment is totally beyond the control of the Employer. The penalty payments shall commence on the first work day following notice to the Employer of the bank's refusal to honor the check.

Section 3 Overtime

- (a) The first two (2) hours prior to the start of the regular work day or the first four (4) hours after the end of the regular work day, not to exceed a total of four (4) hours in any one (1) work day shall be paid at time and one-half. All work in excess of twelve (12) hours in a regular work day shall be paid at double time.

3. If a holiday occurs during that calendar week in which the vacations are taken by any of the employees, one additional vacation day may be taken because of such holiday.
4. Vacations shall be taken at a time mutually agreeable to the Employer and the employee. Promptly after January 1 of each year, each employee who has reason to believe that he will be entitled to a vacation, shall notify the Employer in writing, specifying the vacation time he desires. Prior to April 1 the Employer shall post a vacation schedule on the bulletin board. As possible, vacations shall be granted at the time specified by the employee. In cases of conflict, employees shall be given preference of choice according to seniority.

Section 6 Apprenticeship

- (a) An apprentice shall not be less than seventeen (17) years of age when starting his apprenticeship. An apprentice shall undergo a course of training under the direction of the Local Joint Apprenticeship Committee. The period of shop training shall be four (4) years unless the apprentice is given credit for previous work experience by the Committee.
- (b) The employment of apprentices shall not exceed one (1) apprentice to every two (2) journeymen except where only one (1) journeyman is employed one (1) apprentice may also be employed. Truck Drivers and Production Workers, regardless of wage scale, shall not be included in this computation.

- (d) It is agreed between the parties hereto that apprenticeship training shall conform to the Apprenticeship Standards prepared by the Local Joint Apprenticeship Committee and approved by the Administrator of Apprenticeship. Apprentices shall be indentured in accordance with the Shelley-Maloney Act. The apprentice rates provided for in the wage schedule shall apply only to Indentured Apprentices. (Note: See Section 20 Carpenters Training Trust Fund for Northern California for Apprentice training contributions.)

- (d) In the event of a death in the immediate family (father, father-in-law, mother, mother-in-law, legal guardian or former legal guardian, wife, husband, domestic partner, brother, sister, son, daughter or grandparents), the employee shall be entitled to a maximum of three

The amount the employee shall be reimbursed shall be determined by subtracting the amount he/she received as a per diem for such service from the amount he/she would have earned at his/her regular straight-time hourly rate during the regular working hours he/she missed while performing such service, it being understood that such reimbursement is limited to a maximum of twenty (20) days annually.
- (f) Payment for funeral leave, memorial services leave, and/or jury duty shall be made by the employer to the employee after the submission of the claim and after the employer has been paid by the Jointly Administered Benefit Fund, provided such employer has been a contributor to the Fund and is not delinquent in contributions to any of the Trusts at the time the claim is made and at the time the claim was incurred. - (g) The provisions of Section 8 of the Carpenters Master Agreement shall not apply to newly organized operations for the first twelve (12) months from the effective date of such Employer becoming signatory. The Union will notify the Employer (ACM) in writing of any amendment to this Agreement given to a newly signatory Employer.
- (h) As part of the settlement of this Agreement, the Union agrees to enter into a Letter of Understanding waiving the San Francisco Sick Leave Policy.

Section 8 Maintenance

The rate of wage for such work shall be the regular rate of wage of journeymen millmen, except that the rate of wage for overtime shall be time and one-half regardless of the day or hour. This Section is not applicable to grinding, changing knives, saw filing or setting up of machines for production. Maintenance work on Saturdays and Sundays shall be at time and one-half. Maintenance employees referred to in this Section are intended to include employees of the Employer engaged in the ordinary upkeep and repair of the Employer's machinery and equipment.

If the application is approved, and the Union Label is issued by the United Brotherhood of Carpenters and Joiners of America to be placed upon the Employer's products, it is understood and agreed that the Label shall remain the property of the United Brotherhood of Carpenters and Joiners of America, and shall be at all times in the possession of a member of the United Brotherhood of Carpenters and Joiners of America; and that said Union Label shall at no time be used in any manner that will be detrimental to the interest and welfare of the members of the United Brotherhood. Use of said Label may be withdrawn from the mill, shop, factory, or manufacturing establishment of the Employer at any time at the discretion of the "International Union."

Section 12 Seniority

(a) Seniority shall apply to any employee who is in the continuous employ of the Employer for ninety (90) calendar days or more and, thereafter, for the period he/she remains in continuous employ. For purposes of this Agreement continuous employ is defined as employment uninterrupted by absence due to either:

1. Discharge for just cause or quit unless rehired within thirty (30) days or reinstated as a result of a decision of the grievance committee or arbitrator, or
2. Accident, sickness or layoff for lack of work for a continuous period of more than nine (9) months, unless such period is extended by mutual agreement.

The employee may be required to present satisfactory proof that his/her absence was due to accident or illness.

Time lost as a result of an industrial injury or industrial accident recognized by Worker's Compensation, suffered during the course of employment, shall be counted as part of continuous employment. However, acceptance of employment elsewhere during such period shall interrupt continuous employ unless the employee has requested less strenuous work which the Employer is unable to provide.

(b) The parties agree and understand that for the store fixture, commercial cabinetry and architectural millwork, seniority shall apply only as follows:

1. The Employer may layoff and recall employees from the seniority pool based on the Employer's need.
 2. No new employee will be hired while any member of the seniority pool remains on layoff, except that new production workers may be hired when all such laid-off members of the seniority pool have been first offered the work in the production worker classification.
 3. Employees with ninety (90) calendar days, but less than nine (9) months seniority shall have recall rights for three (3) months from the date of layoff. Employees with nine (9) months seniority or more shall have recall rights for nine (9) months from the date of layoff.
 4. No employee enters the seniority pool until ninety (90) continuous days from the date of hire.
 5. There shall be three (3) separate seniority pools: Journeymen, Apprentices and Production Workers. The Individual Employer may lay off and recall separately within each seniority pool so long as the contractual ratios (Apprentices to Journeymen and Production Workers to other shop employees) are complied with.
- (c) Employees laid-off shall keep the Employer advised of their current telephone number and mailing address. Notice to report shall be given by mailing same to such address by certified mail to the employee(s). All employees covered by this Agreement shall be subject to call and shall forfeit seniority and/or recall rights if they fail to inform the Employer, within two (2) working days after being notified to return, as to whether they will return to work or if thereafter they fail to return to work without good cause within five (5) days after being called or notified by the Employer; provided, that if any employee is away from town when called for work, the time reasonably required by such employee to return to work shall be added to the said five (5) day period. The Employer may hire temporary employees until recalled employees return to work.
- (d) In the event that a layoff is necessary, Journeymen, Apprentices and Production Workers who have not attained seniority must be laid off first. If additional layoffs are necessary, employees will be selected for layoff based on the Employer's assessment of skill, ability and experience; provided, however, that at the conclusion of the layoff, the Employer may not exceed a ratio of one (1) Apprentice to two (2) Journeymen and must make a good faith effort not to fall below a ratio of one (1) Apprentice to five (5) Journeymen; effective July 1, 2017, the Employer shall not fall below a ratio of one (1) Apprentice to five (5) Journeymen; except that where only one (1) Journeyman is employed one (1) Apprentice may also be employed. At the conclusion of the layoff, the ratio of Production Workers to other shop employees may not exceed the ratio set forth below in the Production Workers section of this Agreement.
- (e) Whenever a vacancy occurs in a skilled job and there are at the time employees who have sufficient aptitude and experience to fill the job, such employees shall be entitled to fair trial to qualify for said job. In the event that such employee shall, in the opinion of the Employer, fail to qualify, he/she shall revert to his/her former job without prejudice.
- (f) During a leave of absence granted under Section 13 (Leave of Absence), seniority shall accrue for the first ninety (90) days in the same

manner as though the employee was working. Where a leave of absence is more than ninety (90) days, seniority shall be frozen as of the ninetieth (90th) day unless otherwise extended by mutual agreement between the Local Union and the Employer.

Section 13 Leave of Absence

- (a) The Employer may, upon written request, grant a leave of absence. Such written leave of absence shall not be considered a break in "continuous employ." A copy of such leave of absence shall be furnished to the Local Union.
- (b) A leave of absence without pay for pregnant employees shall be in accordance with applicable federal and California laws.

Section 14 Grievance Procedure, Discharge

- (a) The parties agree to utilize the grievance procedure contained in Section 51 (Grievance Procedure) of the Carpenters Master Agreement. A representative selected by the ACM will serve as the Employer panel member for grievances arising under Appendix E. Written notification of the designated panel member will be sent to the Union.
- (b) The Employer shall not discriminate against any employee because of activities in, or on behalf of, any Local Union. Such Union activities shall not interfere with production.
- (c) An Employee may be discharged or suspended for just cause, such as failure or refusal to perform work as directed; intoxication which shall be defined as any impairment of an employee's ability to properly perform his/her job resulting from consumption of alcohol or drugs, or any such consumption during working hours; dishonesty; or chronic absenteeism. Absenteeism shall not include employee time off for sickness. Grievances in connection with discharges or suspension shall be subject to the provisions of Section 51 (Grievance Procedure) of the Carpenters Master Agreement and employees may be reinstated with or without full or partial back pay if the Grievance Committee or Arbitrator decides that grounds for discharge or suspension were not established. The Employer shall give written notice of suspension or discharge to the employee in person, or if absent, by mail and a copy of same shall be sent to the Union on the date the notice is served on the employee. The written notice shall state all the reasons for the discharge or suspension.
- (d) Any dispute regarding an Employer's failure to provide meal periods or rest periods as required by Section 22 (Work Day) of the Carpenters Master Agreement or by California law shall be submitted to the grievance procedure contained in Section 51 (Grievance Procedure) of the Carpenters Master Agreement. It is the intent of the parties that all claims for meal period and rest period violations arising under California law shall be submitted to arbitration and not be the subject of a court proceeding.

Section 15

Work Preservation Committee

The parties to the Agreement hereby establish a Committee composed of three (3) representatives appointed by the Union and three (3) representatives appointed by the Associated Cabinet Manufacturers.

Each party may select two (2) alternates who will serve on the Committee and vote in the absence of one (1) of the regularly appointed members. Each of the parties shall be entitled to one (1) vote. The Committee shall have a chairman, selected by labor, and a secretary selected by management.

Section 18

Work Performed Away from Plant

The following conditions shall apply for all work performed at the construction jobsite:

- (a) The Employer may install its products which are manufactured under the terms of this Agreement at 85% of the Carpenters nine (9) Counties Commercial or Residential rate, whichever is applicable; provided, however, that when a shop employee has worked on a job for three (3) days or twenty-four (24) hours, whichever occurs first, all additional hours of work on that job shall be compensated at 100% of the applicable Carpenters wage rate. This rate applies only to Millmen employees and shall not apply to Construction Carpenters who are hired from Construction Locals and shall not apply to any work that may be subcontracted out.

- (b) Any and all items not manufactured by the Employer shall be installed under the terms and conditions of the applicable Carpenters Master Agreement. - (c) If an employee leaves from the plant to go to the jobsite during his/her regular work hours and returns to the plant within the same regular work day he/she shall be paid for all travel time at the regular inside Millmen's rate and in addition, all mileage as required. If an employee leaves from his/her home to go to the jobsite or if any employee returns to his/her home from the jobsite, car mileage, when required, and travel time, shall be paid between the jobsite and his/her home or between the jobsite and the plant site, whichever is the shorter distance, provided, however, that payment for car mileage or travel time shall not be required to or from the jobsite located less than twenty-five (25) miles distance from either his/her home or the plant (payment commences with the 26th mile for mileage and travel time.)
- (d) Travel time outside the regular work day as defined in Sections 2 and 3 of this Agreement or the regular work week as defined in the Carpenters Master Agreement will be paid at the rate of time and one-half of the regular inside Millmen's rate and in addition all mileage as required. Travel time from job to job during the regular work day, as defined in Section 2 of this Agreement, will be paid at the appropriate straight-time rate as provided in Wage Schedule "A" of this Agreement.
- (e) Car mileage shall be paid at the current IRS mileage reimbursement rate for the use of an employee's car when transportation is not furnished by the Employer.

- When "out of town work" is required, transportation shall be provided or the transportation costs shall be borne by the Employer. Adequate room and board must be provided for the individual employee or a minimum overnight subsistence of fifty dollars (\$50.00) per night shall be paid, whichever is greater.
- (g) Special arrangements shall be made between the Employer and the employee prior to doing work on any jobsite work presenting unusual circumstances not adequately covered by this Agreement.

- (h) Nothing herein shall be construed to require the terms of this Agreement to be applicable to construction carpenters employed by the Employer.

Section 19 Most Favored Nations

Should the Union grant any more favorable terms and conditions (including but not limited to wages and benefits) to any signatory Employer performing Mill-Cabinet and related work in the geographic area covered by this Mill-Cabinet Agreement, the Union agrees that those more favorable terms and conditions will be made available to all ACM members. The most favored nations provisions will not apply to newly-organized Employers during the first twelve (12) months that such an Employer is signatory to a Mill-Cabinet Agreement.

Section 20 Mill-Cabinet Industry Apprenticeship & Training/Employee Benefit Fund

- (a) Each Employer signatory hereto shall contribute the amount as listed under Wage Schedule "A" and thereafter those listed under Future Rates per hour for each hour worked by each employee in each calendar month to the Carpenters Training Trust Fund for Northern California ("Fund"). If the Trustees of the Fund determine that the hourly contribution to the Fund should be increased, the increase shall be effective on the next July 1 and shall be in addition to the wage and fringe benefit increases scheduled for July 1, 2014 and July 1 of subsequent years.

It is agreed that all but one cent (\$.01) from the above amount will be contributed to the Carpenters Training Trust Fund for Northern California for:

1. Journeymen, Apprenticeship and other training programs, and
2. As a fringe reserve for the purpose of reimbursing employees for bereavement leave or jury duty pursuant to Section 7 (General Provisions) (E) and (F), Appendix E of the Carpenters Master Agreement for Northern California, provided such Employer has been a contributor to the Carpenters Training Trust Fund for Northern California.

These monies shall be allocated jointly by the Trustees and representatives of the Local Unions. The bargaining parties acknowledge that the Trustees of the Carpenters Training Trust Fund for Northern California are responsible for the allocation of these funds.

- (b) It is further agreed, that the remaining one cent (\$.01) per hour from the above contribution rate will be contributed to the National Labor-Management Committee for the Custom Woodworking Industry for all hours worked by employees covered by this Agreement. The averaging of all hours worked during the preceding calendar year (January to December) will determine the contribution amount to be made each month from the Carpenters Training Trust Fund for Northern California to the National Labor-Management Committee for the Custom Woodworking Industry (NLMCCWI), 101 Constitution Avenue NW, Washington, DC 20001.

By the execution of this Agreement, each Individual Employer, the ACM, each individual Local Union and the Unions hereby agree to accept and be bound by the provisions of the Carpenters Training Trust Fund for Northern California Trust Agreement, as each is established

and as each may be amended from time to time in accordance with their terms.

Each Individual Employer, the ACM, each individual Local Union and the Unions shall have all rights, privileges and obligations as set forth in each Trust. No amendment to the Trusts may increase the obligation of any Employer to contribute to the Funds. The costs of establishing and maintaining the Funds shall be borne out of contributions to the Funds.

The modified Plan B of the Carpenters Health & Welfare Plan shall be the applicable Health & Welfare Plan. Plan B shall be capped at 1800 hours per contract year (July 1 through June 30). This covers the contract year for each employee working for a single employer during that year. It is the Individual Employer's obligation to notify the CFAO when the 1800 hour cap has been reached. CARPENTERS 46 NORTHERN CALIFORNIA COUNTIES HIGHWAY ADDENDUM TO THE 2014-2019 CARPENTERS MASTER AGREEMENT

Notwithstanding the working rules and conditions of the 46 Counties Carpenters Master Agreement, the following special terms and conditions shall apply to Highway work as described herein.

The Carpenters 46 Northern California Counties Conference Board, for and on behalf of its affiliates, agrees to the following Addendum to the above Agreement:

Section 1 COVERAGE

Highway work for purposes of this Addendum shall include the construction, improvement, modification, and demolition of all or any part of streets, highways and bridges. This Addendum shall not be applicable to the construction of highway project related buildings and structures such as weigh stations, rest stop comfort stations, agricultural inspection stations, pump houses, etc.

Section 2 MOBILITY AND HIRING

There will be no restrictions on the free movement of workers employed by a signatory employer from one job to another anywhere within the 46 Northern California Counties. Should an employer require additional workers (new hires) on any given job that has commenced, such workers shall be hired from the hiring hall having primary geographical jurisdiction over the work site.

Section 3 WORK REGISTRATION

The Union will provide a separate format for work registration as a Bridge Builder/Highway Carpenter in their hiring hall procedures. When the individual employer requests a Bridge Builder/Highway Carpenter, the Union will only dispatch those members who have indicated Bridge Builder/Highway work experience. The dispatch of apprentices shall not be subject to this provision.

The parties agree that to adequately respond to the needs of the bridge building/highway industry, the Union has agreed to establish a one-stop hiring procedure. The Union has agreed to establish a 1-800 number for Bridge Builder/Highway dispatch requests.

Section 4 WAGES & FRINGE BENEFITS

- A. Wage and fringe benefit rates for Bridge Builder/Highway Carpenters shall be as provided in Section 39 A, B, C, D and E of the 2014-2019 CEA/Carpenters Master Agreement, effective July 1, 2014.
- B. Future wage and/or fringe benefit considerations.

Wage and Fringe benefit increases will be uniform throughout the entire 46 Northern California Counties pursuant to Section 39 (F) of the 2014-2019 CEA/Carpenters Master Agreement.

Section 5

HOLIDAYS/DESIGNATED OFF DAYS

A. Area 2, Area 3 and Area 4:

Section 25 (Holidays) of the Master Agreement shall be modified as follows:

The following are recognized holidays: New Year's Day, Martin Luther King Jr. Day, Presidents' Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, the Friday following Thanksgiving Day, and Christmas Day. If any of the above holidays fall on Sunday, the Monday following shall be observed as the holiday.

B. Area 1:

The nationally recognized holidays and designated off/holiday days shall be in accordance with the provisions of Section 25 (Holidays) of the Carpenters Master Labor Agreement.

Section 6

FOUR BY TEN (4x10) WORK WEEK

An individual employer may establish a workweek for four (4) consecutive days of ten (10) consecutive hours. The applicable overtime rate shall be paid for all work before a shift begins, after ten (10) hours, and on Fridays, Saturdays, Sundays, and holidays. In the event two (2) shifts are employed, the first shift shall work (exclusive of meal period) ten (10) consecutive hours for which ten (10) hours shall be paid; the second shift shall be ten (10) consecutive hours of work, exclusive of meal period, and shall constitute a shift's work for which ten (10) hours shall be paid. Provided, further, all shifts are worked the same four (4) consecutive days during a 4 x 10 workweek, except as may be changed by mutual agreement.

In the event that work cannot be performed Monday through Thursday, (4 x 10 hour workweek) because of inclement weather or major mechanical breakdown beyond the control of the Employer, employees (at their option) may make-up such lost work day(s) on Friday and shall be paid at the applicable straight time rate.

The Union and the Employer will commit to proposing and supporting legislation to change existing law to allow for a 4 x 10 workweek on all Highway work.

Section 7

MAKE UP DAY

In the event that work cannot be performed Monday through Friday because of inclement weather or major mechanical breakdown, Bridge Builder/Highway Carpenters (at their option) may make up such day on Saturday and shall be paid at the applicable straight time rate.

Section 8

SUBSTANCE ABUSE TESTING

The Carpenters 46 Counties Conference Board will actively participate in the negotiation of a Basic Trades Uniform Substance Abuse Policy with the Cement Masons, Laborers, Operating Engineers, Pile Drivers and Teamsters during the life of this Agreement.

An individual employer may initiate unannounced lottery testing; a selection process where all company employees are selected for testing and each company employee has an equal chance of being selected for testing. If an individual employer initiates such lottery testing, all company employees shall be subjected to such testing. An individual employer who initiates lottery testing shall specifically state in its notice to the Union and its notice to employees that employees will be subject to lottery testing. The individual employer shall give thirty (30) days' notice to the Union and employees prior to implementing a lottery drug testing program. Any such lottery testing shall be administered by an independent third party.

Section 9

SHIFT WORK

A. For public projects advertised and private projects bid or negotiated prior to September 1, 2014, when a job site access has been limited by the construction user, a special shift may be established during off hours, Monday through Friday, when required as a condition of securing the work. The employer may pay eight (8) hours pay for eight (8) hours work on such shift. Work in excess of eight (8) hours shall be subject to the overtime provisions of the Agreement.

No special shift shall be established or started for less than three (3) days duration unless the contracting authority specifies work tasks of only one (1) or two (2) days duration. Work performed during special shifts of less than three (3) days duration shall be paid at the wage rate of 12.5% premium pay for a minimum of eight (8) hours. If as a result of working such special shift(s) a Bridge Builder/Highway Carpenter loses the opportunity to work his/her regular workweek, then all work performed on such special shift(s) shall be paid at the normal overtime rate.

B. For public projects advertised and private projects bid or negotiated on or after September 1, 2014, when a job site access has been limited by the construction user, a special shift may be established during off hours, Monday through Friday, when the individual employer produces evidence in writing to the appropriate Local Union or the Union of a bona fide job requirement which certifies that work can only be done outside the normal shift hours. Work performed during special shifts shall be paid at the wage rate of 12.5% premium pay. Work in excess of eight (8) hours shall be subject to the overtime provisions of the Agreement.

Provided, however, if by direction of the Contracting Authority, the bid specifications require it, or congestive traffic conditions on Fridays are such that working conditions would be unsafe for employees, or counter-productive to the performance of work, the special shift may commence on Sunday with double (2) time to be paid from 8:00 p.m. Saturday up to and including 8:00 p.m. Sunday and shall be paid at the wage rate of 12.5% premium pay from 8:00 p.m. Sunday until completion of the eight (8) hour special shift. If Sunday is the first day of the workweek as provided herein, all hours worked

between 8:00 p.m. Friday and 8:00 p.m. Saturday shall be paid at time and one-half (1-1/2).

No special shift shall be established or started for less than three (3) days duration unless the contracting authority specifies work tasks of only one (1) or two (2) days duration. Work performed during special shifts of less than three (3) days duration shall be paid at the wage rate of 12.5% premium pay for a minimum of eight (8) hours.

Section 10
