Hello, my property at 240 Sadowa St. is now being charged a stormwater monthly fee. It was stated in your cover letter that it wasn't fair to other S.F. residents to have my property not charge. I'm a residential home owner @ 244 Sadowa St. and already pay water waste charges. Now my 240 Sadowa St property, only has a small area of run off, the charge is FAIR. My complaint is that a monthly charge is unfair. S.F. doesn't get that much rain therefore, the charge should be executed on a quarterly basis to access the storm water run off delivered during a 4 month period, NOT EVERY MONTH. Please respond in the next 30 days. If I haven't gotten a response, I will cc my concerns to other consumer agencies for review. I'm sure for other Seniors on a fixed income is quiet taxing.

Concern, Ms.Scott
