

Southern Skyline Boulevard Ridge Trail Extension Project

WHAT:

The San Francisco Public Utilities Commission (SFPUC) is constructing a new six-mile segment of the Bay Area Ridge Trail and enhancing the existing Fifield-Cahill Ridge Trail with the construction of an Americans with Disabilities Act (ADA) compliant loop trail. Funding for the Southern Skyline Boulevard Ridge Trail Extension Project is provided by the SFPUC Water Enterprise Capital Improvement Program and a grant from the Federal Highway Administration (Federal Project ID: STPL-6216(003))

WHEN:

Construction activities began in April 2024 and will continue through October 2025. Weather and construction issues could impact the schedule. General workdays and hours (weather permitting) are Monday – Friday, 7:00 a.m. to 6:00 p.m. Some night and weekend work may be required.

WHERE:

The work will occur within the SFPUC's Peninsula Watershed in two locations:

- 1) North of State Route 92 along the existing Fifield-Cahill Ridge Trail;
 - a. a new .5-mile-long universal access loop trail, a 50-car parking lot along with trailhead improvements; and
- 2) South of State Route 92 & East of State Route 35 also known as Skyline Boulevard;
 - a. Construction of a new 6-mile-long trail segment to be served by a new 24-car parking lot and trailhead improvements.
 - b. Construction of wildlife-friendly security fencing and other security features;
 - c. Installation of a pedestrian bridge, pre-fabricated restrooms and interpretive signage.

WHAT TO EXPECT DURING CONSTRUCTION:

Noise, dust, vibrations may result from construction activities. There should be no impact on nearby properties.
