

## CERTIFIED SOLAR INSTALLER LIST

The GoSolarSF program offers incentives to San Francisco residents, businesses, and nonprofit organizations who install solar electric systems on their properties. In order to receive GoSolarSF incentives, the solar electric system must be installed by a contractor registered with the City’s Office of Economic and Workforce Development (OEWD). This “Certified Solar Installer List” certifies the below installers are OEWD registered.

To become a GoSolarSF Certified Installer, Contractors are required to work in good faith with the City’s Office of Economic and Workforce Development (OEWD) to employ San Francisco residents in 50% of all new hiring opportunities. Contractors must provide CityBuild with a list of Core Employees and must notify CityBuild of all new hiring opportunities.

Also, San Francisco residents who contract with an installer certified with a San Francisco address as its principal place of business may receive a City Installer residential supplemental incentive. See the handbook for further clarifying information. Certified “City Installers” are identified below.

| GoSolarSF Certified Installers        |                                 |           |              |  |                |
|---------------------------------------|---------------------------------|-----------|--------------|--|----------------|
| Company                               | Contact                         | License # | Phone Number | Email  | City Installer |
