## Construction Notice: Diamond Heights Water Main Replacement Project

**What:** The San Francisco Public Utilities Commission (SFPUC) has begun installation of new water mains to replace pipes that are approaching the end of their useful life.

**When:** Construction will continue through 2024. Weather and/or construction issues may impact the schedule.

**Where:** Starting October 10, 2022, excavation and Installation of the 12" Main will take place on the 1400 block of Douglass Street and the 600 block of 28th Street. See the project webpage for a map of the overall work area and the three-week look-ahead schedule. Or call or e-mail us for more information.
