# Supporting our customers.

We're committed to providing all of our customers with affordable, clean electricity.

We continue to provide **100% clean electricity** to our customers at rates lower than PG&E's:

[sfpuc.org/HetchyPower](https://sfpuc.org/HetchyPower)

We partner with residential housing sites to help customers get enrolled in discount programs and get their bill questions answered:

[sfpuc.org/news-affordable-housing](https://sfpuc.org/news-affordable-housing)

# Providing clean energy.

We're doing our part to help San Francisco meet its ambitious climate goals and ensure a reliable electric grid for all Californians.

We've built new solar arrays at the downtown War Memorial Opera House and the Southeast Health Center in the Bayview: [sfpuc.org/news-health-center](https://sfpuc.org/news-health-center)

We're expanding electric vehicle charging access at new residential and commercial developments through our EV Charge SF incentive program: [sfpuc.org/EVChargeSF](https://sfpuc.org/EVChargeSF)

Thank you for being a Hetch Hetchy Power customer! This **2022 Power Content Label** compares Hetchy Power service options to California's average energy mix.
