

Construction Notice – New Montgomery, Jessie, Minna and Mission Streets, Brick Sewer Rehabilitation Project

Description: As part of the Sewer System Improvement Program, the San Francisco Public Utilities Commission (SFPUC), will resume construction to rehabilitate the existing 100-year-old sewer pipelines located under New Montgomery Street (between Market Street and Howard Street) and on Jessie, Minna and Mission Streets (all between 2nd and 3rd Streets), and replace some sewer laterals in the project area.

***When:** The project will resume construction in the first week of January 2022 and is anticipated to be completed by Fall 2022. Weather and construction issues could impact the schedule. General workdays and hours (weather permitting) are Monday – Friday, 7:00 a.m. to 4:00 p.m. Some night and weekend work will be required. Your water and sewer services will not be interrupted during construction. Below is a detailed schedule of upcoming work for the month.

Look-Ahead Schedule: January 2022 Schedule

Work Hours: Mondays – Fridays at 7:00am – 4:00pm

- **Within the first two weeks of January***
 - Crews will be inspecting sewers in the area using CCTV with necessary traffic control for public and worker safety. Activities are anticipated to last 1-2 days at any given location, including Mission, Jessie, Minna and New Montgomery.
- **Weeks of January 10 – February 4***
 - Crews will be replacing aging side sewer laterals and manholes on Minna Street (between 3rd and New Montgomery)
 - No-parking signs will be posted in advance
 - No through access. Local access provided with flaggers.
 - Detour signage will be posted

**Schedule subject to change due to weather or unforeseen circumstances.*

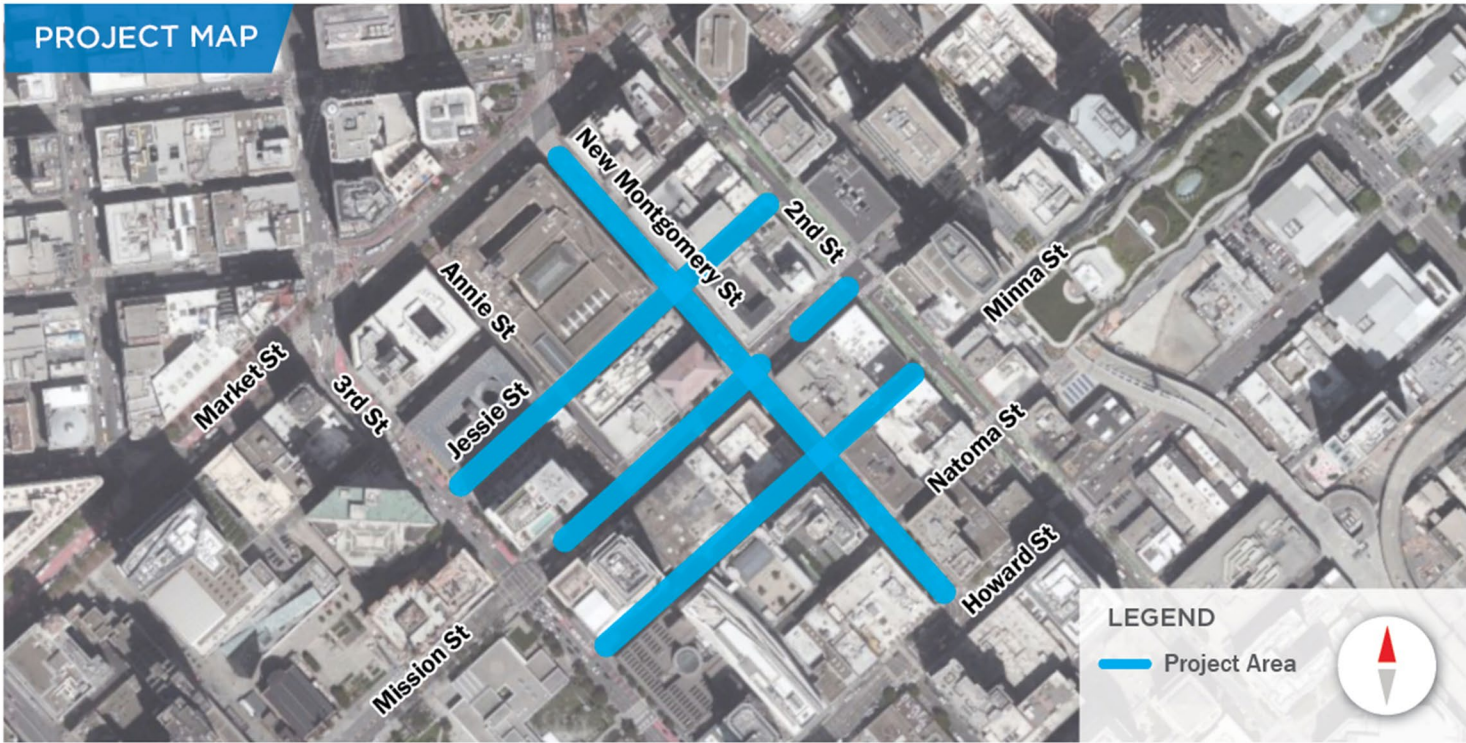

Contact: Please leave SFPUC Communications a message at (415) 554-3233, ssip@sfgwater.org.

After hours: please call 3-1-1.

For more information visit sfpuc.org/newmontgomerysewer.

What to Expect:

- SEWER AND WATER SERVICES in the area will NOT be interrupted during construction.
- PARKING: Street parking will be impacted near construction zones. “No-parking” signs will be posted 72 hours in advance.
- TRANSIT STOPS & LOADING ZONES: Passenger loading zones for some properties and for MUNI buses may be affected. Advanced notice and signage will be provided as needed.
- TRAFFIC: Partial lane closures will be necessary to ensure safety of workers and the public. Advance notice and detour signage will be provided as needed.
- ACCESS: Follow posted signage on site. Businesses and residents in the work zone will maintain access to their driveways and entrances during construction.
- NOISE: Neighbors may hear construction noise periodically. Noisy work will be conducted in compliance with the San Francisco Noise Ordinance.
- ODORS: If necessary, odor control measures will be in place during construction. Please visit sfpuc.org/curedpipe for more information.
- NOTICE: Expect to receive bi-weekly email updates from the project team. Please email ssip@sfgwater.org with the subject line “NMBSR” if you would like to be added to the email list.
