**SFPUC  
 Reason(s) for Removal:**

- Tree is dead or dying
- Tree is hazardous
- Sewer damage
- Root pruning required to fix sidewalk will de-stabilize tree
- Other: Tree will prevent installation of a new SFPUC Emergency Firefighting Water System (EFWS) pipeline and valve.

**Replacement Tree:**

- Yes: In-kind
- No replacement trees
- Other: Replanting trees on site is not feasible because tree roots would likely damage the Emergency Firefighting Water System (EFWS) pipeline and valve. Accordingly, SFPUC will pay the In-Lieu Fee to fund for City tree planting.
