10 Day Public Notice

February 25th, 2022

Cratus, Inc. the contractor working for the San Francisco Public Utilities Commission (SFPUC) will begin a new water main pipe installation project (Contract No. WD-2718) on Prospect, Fair and Coso Avenues and Coleridge Street. This project will replace pipes that are approaching the end of their useful life.

When: The anticipated start date for this project is March 2022 with completion anticipated in November 2023. There may be periods of inactivity during the work dates.

Workdays & Hours: Monday – Friday: 7:00 a.m. to 5:00 p.m.

What to expect during the construction:

There may be noise, vibration, dust, parking and traffic impacts in the work zone, and disruption to normal neighborhood activity. Businesses and residents in the work zone will have access to their garages, although there may be temporary delays. Parking will be prohibited in the work zone during work hours. Portions of several streets within the project, including Coso, Coleridge and Prospect, have concrete roadways which when being replaced may require denial of access to driveways and garages for approximately 48 hours during the initial hardening (curing) of the concrete roadway. Residents will be notified 14-days in advance and again 24-hours in advance of the concrete pouring. *Please see posted signs for exact details.*

We apologize for the inconvenience caused by our work and will do all we can to minimize the impact on your neighborhood. If you have concerns (scheduled deliveries, accessibility needs, etc.) please contact the SFPUC representative below. We will do everything possible to find a mutually agreeable solution. Thank you in advance for your cooperation and support.
