# Water-Wise Tips For the Workplace

- Turn off the tap when soaping hands.
- If you hear a toilet running or see a leak, report it to maintenance.

- Use a broom, not a hose, to clean sidewalks.
- Serve customers tap water only upon request.

- Be mindful of water use when cleaning facilities.
- Share a water-saving idea with this building's facility manager.

**Hetch Hetchy Tap Water  
Too Good to Waste**
